

The DeKalb Co. VFW Fair Committee would like to announce our decision to include the educational booths and our scarecrow competition for this year's fair, for additional show competition go to our website.

We regret there will be no individual exhibit competition again this year. It seems that covid and/or it's variant raises it's ugly head at our fair time and it is just not in the public interest because of exposure, for the safety of our exhibitors and fair workers.
